

**Addendum to TOWW Event License Application
For Submission to Ascutney Outdoors**

Ascutney Outdoors (AO) is responsible for the management, maintenance and oversight of recreational activities and events at its Ascutney Outdoors Center and the adjacent 1,580-acre forest and trail system owned by the Town of West Windsor (TOWW). We are a volunteer organization and our facilities were built through generous donations and labor from the community. All fees are used to support our charitable operations and raise awareness for Ascutney Outdoors.

If the proposed Event occurs on any part of TOWW property, AO is required by its Operating Agreement with the TOWW to be a co-sponsor the Event and give its approval. Applicants are encouraged to consult with AO early on in the application process. AO may require additional information and/or fees in conjunction with co-sponsorship.

For more information, please see the “Events and Rentals” tab at www.ascutneyoutdoors.org or contact our Executive Director, Glenn Seward, at glenn@ascutneyoutdoors.org.
