

Ascutney Outdoors – User Fees

Ascutney Outdoors oversees recreational activities and events at the Ascutney Outdoors Center and adjacent 1,580 acre forest and trail system owned by the Town of West Windsor. We are a volunteer organization and our facilities built through generous donations and labor from the community. We charge certain fees to help cover the operating and maintenance costs. All fees are used to support our charitable operations and raise awareness for Ascutney Outdoors. The following is our standard fee schedule.

AOC Rental: Half-day (or 4-hour period) \$150. Full day (or more than 4 hours) \$250.

Night Meetings: \$50.

Trail Usage for Events Held at AOC: Additional fee of \$2 per person.

Cleaning Fee: For half-day and full day rentals of the AOC, a cleaning fee is included for normal cleaning and wear and tear, but not damage. For night meetings, our policy of leave the building “as is”, and “pack it out” may be used to waive this fee for night meetings.

Rental of Parking Lot: *To be determined*

Camping fees: \$5 per person – in areas assigned by AO surrounding the AOC.

Weddings: Weddings for over 100 people must file an Event permit with the Town of West Windsor. If the event requires a tent or other amenities, the cost is \$1,000, which includes access to the building for the entire day and the day before for setting up. The Ascutney Outdoors Center is best suited for smaller weddings, especially a wedding with outside catering. For larger weddings, we suggest you contact the nearby resort, Holiday Inn Club Vacations - Mount Ascutney Resort. They provide full-service catering and a larger venue that can accommodate 250+ people.

Please note that the trails are typically open to the public during an event. Exclusive use of the AOC must be reviewed with AO and additional fees may apply.

AO gladly accepts donations for events that require extra effort by our volunteers.
